- Few Reminders
 - We have already reached the 12K fundraising goal
 - This brings the total price per person down for a quad room to **\$1,002** <- **This is what you should base your price on at this time**
 - If we hit 15K, that brings the cost down to \$942 per person (quad room)
 - All chaperones and students must have a seat on the bus, if you wish to fly, you may do so at your own additional expense.

- We can accommodate late decisions to attend in November as long as you are able to pay the deposit and the first month's payment
